# Health Plan Product Offering

Texas

51+ ATNE; 51-100 Eligible Employees

Effective January 1, 2021

1 Primary Care Physicians include Family Practice, Internal medicine, and Pediatrics.

2 This tier of benefits applies to UnitedHealth Premium Tier 1 Designated Providers. Please visit [myuhc.com](http://myuhc.com) for details.

3 This tier of benefits applies to physicians in specialties where there is no UnitedHealth Premium designation program and for physicians who are not UnitedHealth Premium Tier 1 Designated.

4 Plan deductible is waived for Emergency Room visits on plans where copay or copay + coinsurance are listed.

5 "Embedded" deductible means once an individual meets their portion of the deductible, services are paid for that person without the entire family deductible being met. "Non-Embedded" deductible means no covered family member will satisfy an individual deductible until the entire family deductible is met.

6 "Flexpoint" plans feature a copay for office visits one through four during the calendar year or plan year, depending on plan type selected. Office visits five and over will be subject to plan deductible/coinsurance. This is a separate limit for both Physician Office visits and Urgent Care visits. Plans feature one Preventive Care visit per year, which does not count against the office visit copay limit.

8 "Navigate" plans require referrals for certain services. Failure to obtain a referral may result in either non-payment of claims or in a reduction of benefits.

9 Copayments on HSA plans will be required after the deductible has been met and will continue to be required until the annual out-of-pocket maximum is met.

11 EPO and Navigate plans exclude coverage for services provided by Out-of-Network Providers with the exceptions of 1) Services performed in a Network Facility by hospital-based providers; and 2) Services performed under the Emergency Care benefit.

17 "FlexFree" plans feature \$0 copay for the first 3 PCP and/or Specialist office visits during the Plan Year. Office visits 4+ will be subject to plan deductible/coinsurance. Plans also feature \$0 copay for the first 2 Urgent Care visits during the Plan Year. Urgent Care visits 3+ will be subject to plan deductible/coinsurance. Preventive Care visits do not count against the office visit copay limit.

18 Copayments on Primary Advantage HSA plans will be required only after the deductible has been met and will continue to be required until the annual out-of-pocket maximum is met.

18 There is no separate additional Rx deductible required for Primary Advantage HSA plans.
