"Non-Embedded" deductible means no covered family member will satisfy an individual deductible until the entire family deductible is met.

8 Navigate and Nexus plans require referrals for certain services. Failure to obtain a referral may result in either non-payment of claims or in a reduction of benefits.

9 Copayment and/or copayment+coinsurance on HSA plans will be required after the deductible has been met and will continue to be required until the annual out-of-pocket maximum is met.
